

WARM INVITATION TO OUR INFORMATION DAY

tectofix
VOM HOLZBAUER.
FÜR HOLZBAUER.

Serial prefabrication through full-surface elementation – Using **tectofix** for an individual solution

Dear friends of timber construction,

This year on November 18th it's time again to warmly invite you and your employees to our now traditional information day **tectofix** – timber construction- and carpenter meeting.

Whether **house** or **object, modular, hybrid** or **facade construction**: Using our individual prefabrication system **tectofix** you will accomplish your goals faster! See for yourself: After the presentation »An alternative method: Full-surface elementation« we will also show **tectofix** in practical use!

Registration under info@tectofix.de is requested, but you are also welcome as a spontaneous visitor!

WHEN: Saturday, November 18th 2023, at 09:00 AM

WHERE: **Bauer Holzbau GmbH**
Rötstraße 11, 74589 Satteldorf-Gröningen

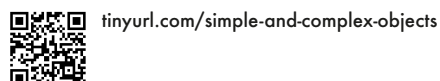

WHAT: Lectures, product presentation **tectofix**, catering

We are looking forward to your visit!

Best regards,
your **tectofix** team
